PROFILE

Experienced videographer with a proven track record of successfully managing multimedia projects from start to finish. Adept at advanced planning and coordination, hardware management, and post-production editing. Committed to maintaining a high level of quality and professionalism in all projects.

WORK EXPERIENCE

Student Helper

San Diego Unified School District 2022 - Present

- Record and operate production equipment for bi-weekly school board meetings at the Eugene Bruckner Education Center.
- Shot, wrote, produced and edited video for district promotional and marketing purposes with a viewership of over 98,000 students, families, and community members.
- Conducted video shoots with elected officials, board trustees, district cabinet members including the Superintendent and Deputy Superintendent.
- Recently provided live-streaming recording of district events in outside venues such as Logan Memorial Education Center (LMEC), and UCSD Park & Market in downtown San Diego.
- Assisted in providing technical services for other district events such as running sound for CAC at Roosevelt International Middle School.

Videographer

Real Estate Masters 2017 - Present

- Film and edit video content for the organization, including commercials, video podcasts, and event recaps for marketing purposes.
- Solely responsible for setup and breakdown of lighting, video, and audio equipment for all productions.
- One of my main responsibilities is filming events for the company, namely the quarterly Mastermind Event. These high-level events involve entrepreneurs from across the country attending to collaborate and improve their businesses.
- Also supervised construction of a podcast studio, including installation of soundproofing foam and equipment setup.

Videographer & Podcast Engineer

VA Loan Guy 2021 - Present

- Responsible for filming and editing multimedia content for the company, including podcasts, webinars, and social media videos.
- My main role is the podcast engineer for the company's podcast, *Armed N Ready* hosted by Jason Wood. The podcast focuses on veterans and active duty military branching into the real estate space and entrepreneurship.
- Production duties include operating a video switcher, editing video and sound files, and finally distributing them to online platforms.
- Research of relevant material to enhance video content.

WORK EXPERIENCE CONTINUED

Lead Videographer

Dylan Welch Media

2019 - 2022

- Film and edit multimedia content for multiple clients, including podcasts, video commercials, and event coverage.
- Clients included organizations such as Sentry Residential, Faro Health, and The Green Podcast.
- Most recently in September 2022, The Green Podcast held their first in-person event, The Green Summit at San Diego State University. The event brought together the biggest leaders in business and tech to share their vision for a sustainable future via 15-minute TED talk style presentations. Coverage of the event included recording guest speakers, and live-streaming via Zoom.
- In December 2021, I filmed event coverage for Sentry Residential's Sentry Summit held in Carlsbad, CA. The event gathered realtors from all over the country to discuss the impact of their company has had in their respective regions. The event was filmed with multiple cameras and utilized a video switcher for post production.

Videographer & Podcast Engineer

Pacific Shore Capital

2018 - 2020

- Filmed and edited commercials and podcasts for the company's Youtube channels.
- Main responsibility was production of podcast Value Add with K&K.
- Collaborated with Marketing Director as well as talent in ensuring smooth production both in-studio and a few on-location podcasts.
- Worked successfully with a diverse group of coworkers to accomplish goals and address issues related to our products and services.
- Juggled multiple projects and tasks to ensure high quality and timely delivery.

VOLUNTEER EXPERIENCE

Videographer

Castle Park High School

2021 - Present

- Filming football games every weekend for both JV and Varsity teams.
- Also responsible for uploading footage to Hudl and making them available for team and coaching staff.

Coronado Pop Warner

2016 - 2018

- Filming football games for entire league (flag, pee wee, junior pee wee).
- Uploading footage to Dropbox and making DVD copies for parents.

John Horst Congressional Campaign

2016, 2018

- Filming and editing content for the campaign, including speaking events, and rallies.

San Diego Comic Con International

2011 - 2022

- Volunteering to help convention staff provide services for guests and overall experience.
- Roles such as line management for signings, handing out gift bags, and escorting volunteers to assignments.
